Romantic Moments at The Shore at Katathani Phuket, Thailand

Romantic couples are celebrating in a truly unique style in Phuket's newest 5* luxury pool villa resort called The Shore at Katathani, overlooking the popular Kata Noi beach.

The Shore belongs to a portfolio of luxury properties in Phuket which includes the Katathani Phuket Beach Resort and opened last November with 48 villas set in the hillside commanding an impressive view of 850 metres beachfront on the southwest coast of Phuket Island.

The Shore is an intimate collection of private pool villa hideaways and is secluded amongst lush, palm-filled gardens. Couples can experience the ultimate blend of luxurious seclusion and boundless space. This beautifully secluded villa property is the perfect place to begin a new love story or to celebrate a golden one, in the resort's perfect harmony of lifestyle and environment.

Each villa features a private infinity pool, sunken lounge, bath with rain shower with the majority of villas having a panoramic view of the ocean and looking over Kata Noi beach. Along with sophisticated interior design, combining soft colours and natural textures with gentle oriental touches, this brand new resort offers the perfect location and service for couples wanting to escape for the perfect honeymoon or simply looking for a romantic holiday.

As the Shore was created for couples and honeymooners alike, there are many couple orientated activities from a romantic honeymoon dinner in the private pool to a three hour spa treatment in The Shore's Serenity Spa that is a classic example of modern spa elegance complimenting the warmth and sincerity of the ancient Thai culture.

The Shore's philosophy is based on their passion for beauty, celebration, romance and life. They believe in a natural fusion of indoor and outdoor living and life. "Where time has no meaning beyond the pleasure of every moment."

The Shore has currently a special bonus night package to Stay 6 nights for price of 5 nights. To book, see your local travel agent or visit www.theshore.katathani.com
